2003 May 30<sup>th</sup>, Incheon International Airport.

Inner Gates

Vrooooo!!!

STREECH-!

You sure  
got here  
quick.

"DPR Airlines company listed as  
cover for intelligence agents.

We've got  
job visas as  
"Sugon Sangsa  
employees  
However...

How-  
ever?

We don't have  
a flight. All domestic air-  
lines are fully booked.

So?

I had to book  
a flight on a Chinese  
airline. However, our govern-  
ment can't co-operate  
with them.

And...?

We need to  
pay for the flights, no?  
The agents from the NIS have  
some funding, but for you...  
Well, you're still officially "on  
vacation" right?

So... I  
couldn't secure any  
funding to cover your  
expenses for  
the trip...

So what?  
You want us  
to blow a hole  
on the side of the  
plane and jump  
out of it like  
last time?

Eh... No.  
What I'm  
trying to say is  
that the fee for your  
part of the mission is  
coming out of  
your personal  
account.

I'M SERVING MY COUNTRY  
BY PAYING WITH MY OWN FUCKING MONEY  
HOW GREAT IS THAT? AH TO HELL  
WITH IT. JUST GET MOVING

Are you okay?

AH FUCK OF  
COURSE NOT

# 70

The Year of 2020, Korea, Republic of.

ART-WRITING KIM JAE-HEE

COLORING ASSIST: KANG KYUNG-RYU

Hey Choi.

Lieutenant  
Choi  
Jeong-Woo!

YOU STUPID  
PRICK! THESE  
ARE FRESH!

\*TTL: Picking New Guy: Sending them for someone straight out of training or transferred into a new unit.

DO YOU  
WANT ALL OF  
US TO GET KILLED?  
WHY DID YOU PICK  
THESE GUYS?

Well, the  
"2nd Deputy  
Director of the NIS  
directly ordered the  
agency to send fresh  
black-ops agents...

Do you  
think he's angry  
because we've only  
been working with  
the KDC?

I mean...  
There weren't any  
alternatives. We can't  
just take agents with  
no field experi-  
ence at all.

No... That's  
not the only reason...  
Anyway, this might  
work out better  
for us.

What  
was that,  
sir?

Choi, I've trained  
you since you joined  
so I trust you no  
matter what.

That wasn't  
a compliment,  
idiot.

Yeah, this is definitely  
better. I might have had problems  
using NIS veterans instead. These  
new guys might be easier for  
me to control.

First of all, I want to thank you for waiting on stand-by for the past few days. From this point on, we're gonna be tracking down the prime suspect behind the Myanmar bombing.

Although it bothers me that you didn't have any black-ops field experience, I've heard that you guys have experience in non-covert operations, so I'll trust you to do your jobs well.

Your primary objective is to come back safe. Understood?

YE... YES SIR!

A girl...?

Republic of Korea  
National Intelligence Service  
Intelligence Operations Agent  
"Yoon-Hwa"

We don't need Female operatives for this assignment

I hope you know the reason why

HEY, RECKIE. TAKE A HIKE.

Sir! I am Lee Yeon-Hee, I joined in 2021. Please take me with you.

I trained specifically to become a black-operations agent. I was always top of my class, with the best grades

I also received a perfect grade on an assessment that included male agents. I don't believe you have any reason to kick me out of this operation other than the fact that I am a female.

I never said I had any problem with your skills. I just don't need a female operative.

Please, take me with you. I have always wished to go on an assignment.

...Do whatever you want just don't fuck around when you get there. It's people like you who get killed first.

Shanghai, China, Hongqiao  
International Airport.

Choi, Alpha Team.

Sergeant Simpson,  
this ought to work.  
I'm Assistant Manager  
Kim. I was expecting  
your captain.

Assistant Manager  
Kim (Sergeant Simpson)  
Kim (Sergeant Simpson)

He's making  
a call. He'll be  
right back.

AH, YOU  
HAMMERLESS WHITE-  
COLLARED FUCKS.

MANAGER  
JEONG!

TOLD ME!

TO MAKE  
SURE YOU KNOW  
YOUR PLACE!

You think  
about doing any-  
thing by yourselves I'll  
kill all of you. Under-  
stand? Now shut up  
and follow me.

Let him go  
These guys are  
fresh out of  
training.

Our 2nd  
department's  
20 minutes  
from here.  
Let's go.

We've been looking  
around and clearing ports in  
the Fengshan district.

These guys  
are a little weaker,  
so it's easier than  
back in the olden  
days.

But since  
there are so  
many of them,  
it's a little hard  
to get rid of  
them.

We flushed a  
lot of these guys out, but  
we did manage to find one  
guy who seemed to  
give us a lead.

We moved him  
to the 2nd department.  
You'll be surprised.

20 minutes later, Ryan  
thinks straight forward.

We don't  
usually close  
the shutters.

She,  
someone's  
been here!

Hold up.  
Alpha team,  
stick with  
me.

What  
the fuck?

*They wiped  
our department!*

*I knew it:  
it's those  
guys*

**AH WHAT  
THE FUCK IS THIS?**

This is our business.  
Stay out of it. -Moran
